September 11, 2019

Title: Opioid Prescribing CME for Psychiatrists and Other Mental Health Professionals-Part 1

Presenters: **Mary-Anne Kowol, MD, FASAM**
Assistant Professor, Department of Psychiatry and Behavioral Medicine, MCW
Matthew Stohs, MD
Assistant Professor, Department of Psychiatry and Behavioral Medicine, MCW
Christine Boxhorn, MD
Assistant Professor, Departments of Anesthesiology and Psychiatry, MCW

Objectives:

1. Discuss the origin, trajectory, and change of the opioid crisis
2. Learn about pain and pain management principles
3. Review updated Wisconsin opioid prescription guidelines

September 18, 2019

Title: Opioid Prescribing CME for Psychiatrists and Other Mental Health Professionals-Part 2

Presenters: **Mary-Anne Kowol, MD, FASAM**
Assistant Professor, Department of Psychiatry and Behavioral Medicine, MCW
Matthew Stohs, MD
Assistant Professor, Department of Psychiatry and Behavioral Medicine, MCW
Christine Boxhorn, MD
Assistant Professor, Departments of Anesthesiology and Psychiatry, MCW

Objectives:

1. Discuss the origin, trajectory, and change of the opioid crisis
2. Learn about pain and pain management principles
3. Review medication-based treatment for opioid use disorders

September 25, 2019

No Grand Rounds
Combined Faculty/Staff Meeting
8:00-9:15 am, MCW RPC

Psychiatry Grand Rounds

Medical College of Wisconsin Department of Psychiatry & Behavioral Medicine Grand Rounds October 2019

October 2, 2019:

Title: Urban Spelunking Through the History of the Milwaukee County Behavioral Health Complex: What is Past is Prologue

Presenters: **Jonathan Piel**
Local Amateur Historian, Wauwatosa, WI
Michael McBride, MD
Assistant Clinical Professor, Department of Psychiatry and Behavioral Medicine, MCW

Objectives:

1. Understand the early history of mental health care in Milwaukee County and the development of the asylum system
2. List historical achievements of innovative leaders in the Milwaukee County Behavioral Health Complex
3. Appreciate the challenges of delivering humane care for the mentally ill from the 1860's to the 1920's—what we've learned, what we've lost

October 9, 2019

Title: Unraveling the Impact of Mixed States on Suicide Risk in Bipolar Disorder

Presenter: **Jess Fiedorowicz, MD**
Associate Professor, Departments of Psychiatry, Epidemiology, and Internal Medicine
Director, Mood Disorders Center, Medical Director, IJPW Mood Disorders Inpatient Service
University of Iowa, Carver College of Medicine, Iowa City, IA

Objectives:

1. Distinguish mood syndromes and appreciate the varied course of illness in bipolar disorder
2. Learn how longitudinal data may be used to answer clinical research questions
3. Review how mixed mood states contribute to risk for suicidal behaviors in bipolar disorder

October 16, 2019

Title: Beyond Coping with Chronic Illness: The Link Between Diabetes and Depression

Presenter: **Stephanie Kohler Neuwirth, MD**
Assistant Professor
Department of Psychiatry and Behavioral Medicine
Medical College of Wisconsin

Objectives:

1. Discuss the correlation between diabetes mellitus, types 1 and 2, and depression
2. Explore possible underlying etiologies for the correlation between the two disorders
3. Review approaches to screening and treatment of depression in patients with diabetes

October 23, 2019

No Grand Rounds
Faculty Meeting
8:00-9:15 am, VAMC

October 30, 2019

No Grand Rounds

Psychiatry Grand Rounds

Medical College of Wisconsin Department of Psychiatry & Behavioral Medicine Grand Rounds November 2019

November 6, 2019:

Title: Three Approaches to Psychotherapy, or "The Gloria Films"
Presenter: Barbara Sieck, PhD
Assistant Professor
Department of Psychiatry and Behavioral Medicine
Medical College of Wisconsin

Objectives:

1. Describe the three theoretical orientations used in the film
2. Discuss ethical issues related to the film's production
3. Explore the impact of the film on Gloria's life

November 13, 2019

Title: Soldiers, Superman, and Sisyphus: Reflections on Burden and Military Veterans
Presenter: Michael McBride, MD
Assistant Clinical Professor
Department of Psychiatry and Behavioral Medicine
Medical College of Wisconsin
Local Recovery Coordinator, Clement J. Zablocki VA Medical Center, Milwaukee, WI

Objectives:

1. Identify the conditions which contribute to suicide in the veteran population
2. Learn how loss of power, identity, and purpose lead to burden
3. Describe how the myth of Sisyphus offers an explanation for the absurd and a suggestion for therapeutic intervention

November 20, 2019

Title: Evidence for and Dynamics of Prescribing in Borderline Personality Disorder
Presenter: Mara Pheister, MD
Associate Professor and Director of Residency Training
Department of Psychiatry and Behavioral Medicine
Medical College of Wisconsin

Objectives:

1. List evidence for medication use in borderline personality disorder (BPD)
2. Recognize how countertransference can influence prescribing habits
3. Feel comfortable providing psychoeducation about BPD, treatments, and prognosis to patients and families

November 27, 2019

No Grand Rounds
