Professor, Bioethics and Medical Humanities
Medical College of Wisconsin

JOIN US VIRTUALLY!
Tuesday, Nov 16
12:00PM -1:00PM

*This is a virtual session via Zoom*
https://tinyurl.com/HumanitiesLecture

Dr. Campbell's new book, A Fullness of Uncertain Significance: Stories of Surgery, Clarity, & Grace includes sixty stories that highlight insights and moments, both momentous and modest, that have caught his attention over the course of his career. He will discuss the process of creating the book, explore how writing and narrative can bring healing, and challenge the participants to explore their own stories.
Upon completion of this learning activity participants should be able to:
1. Understand the value of reflective and narrative writing.
2. Reflect on their own collection of stories.
3. Consider how they might bring their stories to a wider audience.

ACCME Accreditation Statement:
The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement:
The Medical College of Wisconsin designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Questions or accessibility accommodations, please contact Kris Tym at ktym@mcw.edu.
