Psychiatry Grand Rounds
Medical College of Wisconsin
Research Park Center
Learning Centers 1 & 2 (1st Floor, Left of Entrance)
10000 Innovation Drive Milwaukee, WI  53226
Wednesdays, 8-9 am

For further information, call:  (414) 955-7250 or visit: www.mcw.edu/psych
Program ID:  20032

All programs are subject to change

This program is recommended for psychiatrists, psychologists, residents, nurses, medical students, social workers, and other mental health professionals.

This advanced program highlights the latest information in the diagnosis and treatment of mental disorders and the newest research areas in clinical psychiatry.

ACCME Accreditation Statement:
The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.

AMA Credit Designation Statement:
The Medical College of Wisconsin designates this live activity a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Hours of Participation:
The Medical College of Wisconsin designates this activity for up to 1.0 hours of participation for continuing education for allied health professionals.

Psychology CE Credit Statement:
The Medical College of Wisconsin is approved by the American Psychological Association to sponsor continuing education for psychologists. The Medical College of Wisconsin maintains responsibility for this program and its content.

This activity contains content or processes that may be potentially stressful.

In accordance with the ACCME policy on relevant financial disclosure, all planners were asked to reveal any relevant financial relationships. Drs. Chan, Cipriano, and Robert Huberty, MSW, have nothing to disclose.

EthosCE Information:
All participants who wish to receive CME credit for attending these talks MUST create and manage an EthosCE account:  http://ocpe.mcw.edu

For more information on EthosCE, please contact us at (414) 955-7250 or visit our website:  www.mcw.edu/psych
March 4, 2020

Title: Mentoring: Past, Present, and Future
Presenters: Jennifer Niskala Apps, PhD
Associate Professor and Assistant Dean for Faculty Affairs, Department of Psychiatry, MCW, CHW
Himanshu Agrawal, MD, DF-APA
Assistant Professor, Department of Psychiatry and Behavioral Medicine, MCW
Kathleen Koth, DO, DF-ACAP
Associate Professor, Department of Psychiatry and Behavioral Medicine, MCW, CHW
Heather M. Smith, PhD, ABPP
Associate Professor, Department of Psychiatry and Behavioral Medicine, MCW, VAMC

Objectives:
1. Explain the history of mentoring within academic medicine
2. Identify the qualities required of strong mentors and mentees
3. Discuss options for participating in mentoring relationships within their own career

March 11, 2020

Title: Consensus Recommendations: Current Approaches to Treatment of Pediatric Acute-Onset Neuropsychiatric Disorders
Presenter: Margo Thienemann, MD
Clinical Professor of Psychiatry
Co-Director, Pediatric Acute-Onset Neuropsychiatric Syndrome Program
Stanford University School of Medicine

Objectives:
1. Consider the diagnoses of PANS and PANDAS when encountering a patient with sudden change in emotions, behavior, or other symptoms
2. Review the principles and current scientific bases for treatments of children and adolescents with PANS/PANDAS
3. Appreciate the need to coordinate care amongst primary care, mental health, and other specialists when treating a patient with PANS/PANDAS

March 18, 2020

Title: Systems Change in the City: Addressing Disparities in Developmental and Mental Health Care for Milwaukee’s Children
Presenters: Amy Vaughn Van Hecke, PhD
Associate Professor of Psychology with Tenure, Marquette University
Leah Jepson, MSW
Executive Co-Director, Next Step Clinic
Project Director, Milwaukee Coalition for Children’s Mental Health
Troney Small
Family Navigator, Next Step Clinic
Ida Winters
Family Navigator, Next Step Clinic

Objectives:
1. Discuss the societal and family-level barriers that affect access to developmental and mental health care for children and families of color
2. Explain a new initiative to help families access care, while also giving them a voice in how care is provided
3. Reflect on practices that alienate families from care systems that should be serving them

March 25, 2020

No Grand Rounds
April 1, 2020
Title: When RED Doesn’t Mean No and GREEN Doesn’t Mean Go: A 2020 Review of Clinical Indications for Pharmacogenomic Testing in Psychiatric Patients
Presenter: William Park, MD
Child and Adolescent Psychiatry Fellow
Department of Psychiatry and Behavioral Medicine
Medical College of Wisconsin

Objectives:
1. Discuss foundational information to make decisions about pharmacogenomic testing
2. Assess how and why (NOT) to order the test
3. Explain how to read a report when one is available

April 8, 2020
Title: Forensic Implications of Persistent Psychosis Following Marijuana Use
Presenter: Sara Brady, MD
Assistant Professor
Department of Psychiatry and Behavioral Medicine
Medical College of Wisconsin

Objectives:
1. Describe the psychopharmacologic effects of cannabis
2. Review the current evidence regarding the association between cannabis use and psychosis
3. Define “settled insanity” and discuss forensic implications of de-criminalizing marijuana

April 15, 2020
Title: The Pearls and Pitfalls of Mentorship: Let’s Take a Closer Look
Presenter: Erica Arrington, MD
Assistant Professor and Director, Child and Adolescent Psychiatry Fellowship
Division of Child and Adolescent Psychiatry
Department of Psychiatry and Behavioral Medicine, MCW

Objectives:
1. Apply mentorship across the various levels of training from medical students to residents and fellows
2. Explore ethical issues that can be encountered in the mentorship relationship
3. Discuss outcomes associated with the development of a culture of mentorship

April 22, 2020
No Grand Rounds

April 29, 2020
No Grand Rounds
Combined Faculty/Staff Meeting
MCW Research Park Center 8:00-9:15 am
