PSYCHIATRY GRAND ROUNDS

Medical College of Wisconsin Research Park Center
Learning Centers 1 & 2 (1st Floor, left of entrance)
10000 Innovation Drive
Milwaukee, WI 53226
Wednesdays, 8-9 am

For further information call:
(414) 955-7250
or visit: www.mcw.edu/psych

This program is recommended for psychiatrists, psychologists, residents, nurses, medical students, social workers, and other mental health professionals.

This advanced program highlights the latest information in the diagnosis and treatment of mental disorders and the newest research areas in clinical psychiatry.

ACCME Accreditation Statement:
The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.

AMA Credit Designation Statement:
The Medical College of Wisconsin designates this live activity a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Hours of Participation:
The Medical College of Wisconsin designates this activity for up to 1.0 hours of participation for continuing education for allied health professionals.

Psychology CE Credit Statement:
The Medical College of Wisconsin is approved by the American Psychological Association to sponsor continuing education for psychologists. The Medical College of Wisconsin maintains responsibility for this program and its content.

This activity contains content or processes that may be potentially stressful.

In accordance with the ACCME policy on relevant financial disclosure, all planners were asked to reveal any relevant financial relationships. Drs. Chan, Cipriano, and Robert Huberty, MSW, have nothing to disclose.

All programs are subject to change

EthosCE Information:
All grand rounds participants who wish to receive CME credit for attending these talks MUST create and manage an EthosCE account:

http://ocpe.mcw.edu

For more information on EthosCE, please contact us at (414) 955-7250 or visit our website: www.mcw.edu/psych
October 4, 2017:
