Presented by: David A. Spain, MD, FACS

Dr. David A. Spain is the David L. Gregg, MD Professor and Chief of Acute Care Surgery. His clinical areas of specialty are emergency and elective general surgery, trauma and critical care. His research focus is assessment of clinical care, systems of care and introduction of new technology. He is the current Recorder and Program Chair of the American Association for the Surgery of Trauma and a Governor of the American College of Surgeons. He is the editor of the new textbook, Scientific American's Critical Care of the Surgical Patient.
Enter UW Hospital through the Clinic Entrance
Take “Main Street” (the main pathway through the hospital) to the H elevators.
Take the H elevators to the 1st floor.
When getting off the H elevator, go straight ahead to the cafeteria. At the Marketplace Café, take a right and the room is located on the back side of the cafeteria.
HOW TO USE THE LOT 75 PARKING PASS –

TO BE USED ONLY BY NON UW EMPLOYEES

1. Follow the signs for the main University of Wisconsin Hospital and Clinics Entrance on 600 Highland Avenue, Madison.

2. Take a parking ticket when entering the UW Parking Ramp #75 (Visitor’s Parking Ramp)

3. Please park on Levels 1-5.

4. When leaving the parking ramp, choose a lane designated as “Validations and VISA/MC,” stop at the exit device before the booth and place your parking ticket white side up/bar code up into the device. The monitor will show a payment amount due. Enter the validation ticket you will be given at Registration.

5. The exit gate will rise within a couple seconds so you can leave.
