Instructions for MCWAH/GME Housestaff Courses on D2L

You have been enrolled in one or more required MCWAH/GME housestaff courses on Desire2Learn (D2L), the learning management system used by the Medical College of Wisconsin (MCW) and the Medical College of Wisconsin Affiliated Hospitals (MCWAH). A score of 70% or higher on the post-test is required to pass each course -- see below for more information.

To complete the required course(s):

- Log into D2L at https://mcw.desire2learn.com using your MCW email username (not full email) & password.

  Supported browsers include Chrome; Firefox; IE9 or newer; and Safari 5.1 or newer. IE8 is not supported.

- At the top of the D2L home page: click the *Select a Course* icon ( ) and choose *MCWAH/GME Housestaff Courses*.

- Under *Content Browser*, click on the first assigned course.

- Click on the *Welcome* page and move through the course by using the arrow at the top right of the screen (< >) (Note: The presentation may take a few seconds to load).

- **IMPORTANT** Post-Test Information:

  o Complete the post-test for each course by clicking on the *Start Quiz* button at the bottom of the screen. Once the questions have been answered, click *Save All Responses* and then *Go to Submit Quiz*. View the *Attempt Score* at bottom right. If it is 69% or less, click on the back arrow and then the forward arrow to re-take the post-test. If it is 70% or greater, click on the forward arrow to continue to the next assigned course or to log out if all assigned courses have been completed.

  o You may also be asked to complete case scenario questions during a course or a course evaluation after a course. Follow the same steps as outlined above for post-tests. Correct answers are not included in post-test scores.
