

**The Medical College of Wisconsin, Inc.
Faculty Cost Sharing Commitment Form**

A cost sharing commitment occurs when faculty effort is committed to a sponsored project in excess of the amount of salary and fringe benefit expense to be funded by the sponsoring agency. Cost Accounting Standard (CAS) 501 requires the College to identify and value this commitment.

This Faculty Cost Sharing Commitment Form must be submitted to the Grants & Contracts Office whenever mandatory or voluntary cost sharing is committed. A separate form must be submitted for each faculty member who agrees to provide cost sharing support to the project. This form is not required for cost sharing related to salaries in excess of the Public Health Service (PHS) salary cap. Refer to the Cost Sharing Policy for further guidance.
