## RESEARCH OPPORTUNITY FOR ACADEMIC DEVELOPMENT IN SCIENCE

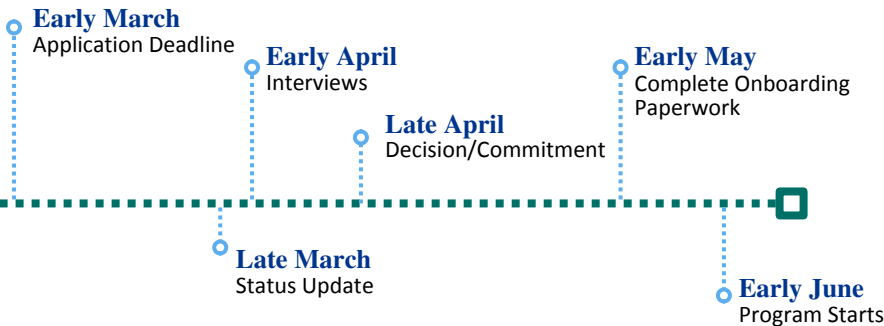

SUMMER PROGRAM

MCW  
Research Opportunity  
for Academic  
Development in  
Science (ROADS)

## APPLY NOW

Our program provides carefully selected Milwaukee area high school students who are members of historically disadvantaged and underrepresented groups in the health science professions the opportunity to stimulate their interest in careers in medicine, biomedical research-and allied health. ROADS emphasizes academic preparation, achievement and career awareness.

”

“I was able to discover the different layers of the medical field and realize, despite how different they may be, they work together.”
