

Turnitin

Plagiarism Detection Tool Student Guide

The Graduate School offers a plagiarism detection tool through Turnitin and can be utilized in Brightspace in two different ways: 1. **General Student Access**, which can be accessed and used at any point for any work; and 2. for a specific **Class Assignment**. Instructors have the option to require submission through Turnitin for an assignment.

Step 1: Log in to [Brightspace](#) (Course Content Management System) using your MCW Network Credential via OneLogin. [Duo Security and Microsoft Authenticator](#) is required for access to Brightspace if you are accessing off-campus. Issues with access for Duo, contact MCW Helpdesk help@mcw.edu.

Step 2:

For **General Student Access**, go to the *Graduate School Student Resources* page and click on *Assignments*. Then click on *TurnItIn Student DropBox*. Follow to Step 3.

For a specific **Class Assignment**, go to the class page and click on *Assignments*. Click on the assignment you need to add a submission for. Follow to Step 3.

Step 3. Click on *Add a File* to upload your document. Click on the blue *Submit* button.

The screenshot shows the Turnitin Student DropBox interface. At the top, the breadcrumb trail reads "Graduate School Student Resources" followed by navigation icons and the user name "Monica Richwine". Below this is a secondary navigation bar with "Course Home", "Content", "Assignments", "Discussions", "Assessments", and "Resources". The main heading is "TurnItIn Student DropBox". A dropdown menu is set to "Hide Assignment Information". The Turnitin logo is displayed, followed by the text "This assignment will be submitted to Turnitin®." and "Instructions: Feel free to use this drop box to view TurnItIn plagiarism software score for papers." The "Submit Assignment" section shows "Files to submit" with "(0) file(s) to submit". A note states "After uploading, you must click Submit to complete the submission." Below this are three buttons: "Add a File", "Record Audio", and "Record Video". A "Comments" section contains a rich text editor with a toolbar including Paragraph, Bold, Italic, Underline, Text Color, Bulleted List, Numbered List, Indent, Outdent, Link, Unlink, Table, and Font Color. The editor is currently empty. At the bottom are "Submit" and "Cancel" buttons.

Step 4. After indication of successful submission, click *Done* to return to the assignments page. You will also receive a submission receipt email from lmshelp@mcw.edu.

The screenshot shows the Turnitin submission review interface. At the top, there is a navigation bar with a home icon, the text "Graduate School Student Resources", and several utility icons (grid, envelope, speech bubble, bell, profile "MR Monica Richwine", and settings gear). Below this is a secondary navigation bar with links for "Course Home", "Content", "Assignments", "Discussions", "Assessments", and "Resources". The main heading is "Review Assignment Submission". The status is "File submission successful". The submission ID is "206720". The submission(s) section shows a file named "Richwine, Monica Thesis Proposal.pdf" (277.32 KB). The comments section is empty. The assignment is "TurnItIn Student DropBox". The submission date is "Jul 12, 2022 9:09 AM". The submitter is "Monica Richwine". The total file size is "277.32 KB". The email status is "Confirmation Email Sent Successfully". The instructions section says "Feel free to use this drop box to view TurnItIn plagiarism software score for papers." A note at the bottom states: "Note: To view originality reports for this submission, go to the Submission History page for this folder." At the very bottom, there are three buttons: "Done" (highlighted in blue), "View History", and "Upload More Files".

Note: If the assignment inbox says that your Similarity Report is not available for a class assignment, your instructor has set up your assignment to not allow students to view it.

Viewing instructor feedback

If applicable for your class assignment, your instructor can provide feedback on your submission. You will be able to view it once the post date for the assignment has passed.
