

Edward J. Lennon, MD Outstanding Woman Postdoctoral Researcher Award Application

Award Information. The Edward J. Lennon Outstanding Woman Postdoctoral Researcher Award is intended to recognize and support outstanding female postdocs. The winner of this award will be provided with a \$1000 prize that must be used toward research related expenses (e.g. reagents, research related electronic devices, tools, etc.) and/or professional development activities (e.g. conference travel). Funds cannot carry over to another institution and cannot be cashed out when/if the postdoc leaves MCW. This award was made possible through generous support by the family of Edward J. Lennon and is administered by the Office of Postdoctoral Education and the Postdoctoral Advisory Committee.

Application Instructions. To apply, please submit this completed form together with your CV and a letter of support from your PI to the postdoc office at postdoc@mcw.edu. The submission deadline is December 30th, 2022 at 5pm. All female postdocs are eligible to apply. Direct questions to postdoc@mcw.edu. A winner will be determined by an evaluation committee.

Applicant Name:

Mentor:

- 1) When did you begin your current postdoctoral training at MCW?
- 2) Chronologically list all the postdoctoral positions (Dept, PI, designation, years/period) you have held at MCW.
- 3) Have you won this award before? If yes, what year?
- 4) How many *peer-reviewed* publications have you contributed during your postdoctoral training at MCW (include only the last 4 years)?
 - a) Of these, how many are first-authored publications?
- 5) Do you have any volunteering experience during your postdoctoral training at MCW? If yes, briefly list your volunteering activities. Volunteer activities may be science related (e.g. poster judging), or not science related (e.g. working at a food bank).
- 6) Which conferences have you presented your scientific work at during your postdoctoral training at MCW (include only the last 4 years)? Please list calendar year and specify if it was an oral or poster presentation.
- 7) Have you applied for any fellowships/grants/patents during your postdoctoral training at MCW (include only the last 4 years)? Please list calendar year and specify the funding status (for fellowship/grant) or approval status (for patent).
- 8) List all academic awards and honors that you received during your postdoctoral training at MCW (include only the last 4 years).
- 9) What do you consider to be your single most important contribution to science made during your postdoctoral training at MCW (consider only the last 4 years)? Limit your responses to 100 words only.
- 10) What makes you uniquely deserving of this award (250 word limit).
