

Registration is now open!

Join our Child and Adolescent Psychiatrists in an interactive didactic opportunity.

Wisconsin CPCP will be hosting a quarterly case conference series:

- ▶ Free to all WI providers working with children with mental health concerns
- ▶ 40-minute interactive case presentation
- ▶ Downloadable tip sheet

Depression Beyond Basics

Objectives: Increase skill in clarifying diagnoses, identifying types of depression, and identifying contributing factors. Identify how lifestyle factors, such as sleep, diet, physical activity, and healthy relationships, relate to depression. Describe management options for improving the long-term prognosis of depression.

DATE	Wednesday, May 15, 2024
TIME	12:10-1:00 p.m.
PRESENTER	Erica Larson, DO <i>Board Certified Child and Adolescent Psychiatrist</i>
